THE CAMPAIGN.

It Ends Ton'ght - Decks Cleared for Action Monday.

The campaign tour of the candidates ended at Willamette yesterday afternoon. Today the various candidates and their friends will be in town, and the day may be exfor the rest that comes tomorrow. The latter will be the lull that precedes Monday's storm. It may be hoped that in the various precincts of old Benton that the contest will poultry, and wild game into the various courts' used in the clerk's of his Name made a comparison be good humored and free from bit- great floating ship. Neither do they office. During the same period of the records of Watters and Gel--Misses Ollie Skipton and Mamie be good humored and free from bit-

Comparatively speaking, the camtrue that there has been sharp interest in the controversy between the clerk. This controversy was brought on by those persons who from the very outset began a dark alley system of mud slinging against Mr Watters. They persisted in injuring Mr Watters' candidacy. It is in this fact that the controverdressmaking establishment in Detroit other candidates the campaign has been unusually good humored.

The prospects were never more The the close of the campaign. ticket is one of the cleanest and best ever offered the people of Benton county. Each candidate is perfeetly fitted for the office sought. Criticism of them is harmless, because there is nothing to criticise. Services at the Christian church his Name have invariably been dis-ext Lord's day. Preaching at 11 a m. aproved, and they have only served very well. There had been some next Lord's day. Preaching at 11 a m. aproved, and they have only served In the evening beginning at 8 p m a to bring out the reputation of Clerk special program in the interest of Watters with a brighter and clearer lustre than ever. ANOTHER GREAT FLOOD.

To Come in 1901-A Pioneer Predicts-Indian Traditions and Past Floods to Prove it.

Since "Noah built dat ark", everybody will be tired, and ready some great Niagara, to remind them include the books of registration, blue. that an inundation will not occur on which are extras. It does not insons gathered their families, stock, It includes all record books of the in former years; yet the old time \$81 worth. The difference is \$2, that he left out. Here for instance paign has been a quiet one. It is feeling that some day there will be Here is the proof. a great deal of valuable property destroyed by fire; and that many will find the heat intolerable on that occasion still haunts man like the nightmare on a high mountain. People know that the deluge will not be repeated; yet they fear that and family. They arrived Tuesday the manufacture and circulation of the rivers may choke up in some skinflint stories, for the purpose of narrow pass and overflow the country above as it has done many times; or that the water may spout from above or below; that there might be a general uprising of islands to cause an overflow from the sea; or that the ocean might break through flattering for the success of the at some tidal wave and give us a allied ticket than they are now at great deal of unexpected trouble and salt water. At least one of Oregon's oldest citizens predicts some remarkably high water; and that for the near future.

Last week this pioneer of pioneers, a man who has been in Oregon since '48, lately said: "Yes sir, we've had cuit, county, commissioners and probate ically ignorant of what was going a deluge here: and it was since I courts of said county from Aug 1 96 to on in his office sole control being In the case, for instance, of the a deluge here; and it was since I lerk, the charges of Ashamed-of- came. It was in the winter of sixtyvery warm days -- days when a work-Watters with a brighter and clear- ingman could not wear a coat. Dursupporters by the score openly ad- came a very heavy rain, as hard a as the infernal region I retired at an that on the contrary these have early hour; only to be awakened been harmful to Gellatly. As it is in the case of Watters' clear as a shady day. It astonished eputation, so is it with all the rest me; I was alarmed; I had been in kinds of people, contended with the bear; but I had never seen the and I was fearful that the worst However when upon the window, my surprise was only

> like a little isle in a mighty ocean. shark, codfish, seaweed and whales. an oyster cocktatl raised on his own farm was not among the improbabilities. In fact the air smelt so bring to him that he ordered his hired man to step to the door and taste the water to see how brackish it was. Among his greatest fears was that the seawater should break through into his well so that he

would have nothing fresh to drink. In a day or two the water subsided to rise again the following Sunday night. Each time the waters were so high that we often saw our neighbors' property floating away, and when the waters fell we found the carcasses of sheep, hogs, cattle and horses lining the fences near my house. We were unprepared for such a freshet, hence were helpless. I never saw such a time before; I never want to see the like

again. "But it was just twenty years afterwards that we had nearly the same kind of a thing; and ten years later there was a good showing; in '49, an old Indian told me that these things come regularly once in twenty years, that this saying was traditional in his tribe. Next Winter after next" he continued, "the time will be up for it; and it's a biggest water the younger generation

ever saw. Before I go, let me give you the ry has been settled the high water has appeared three seasons, twice each season, making in all six times; and like the worst battles of the world it came on Sunday. So look out for an unwelcome visitor who will call on you some Sunday night, winter after next; and be sure you' are prepared for the worst".

4The Crystal Lake Cemetery Association meets this afternoon at 2.30 at the residence of Mrs James Flett for election of officers and payment of dues and other business.
